

## Hot Homes FLA Realty Apprentice Program

We are happy that you are considering our local teens to help with your home projects. We would like to be clear of the expectations when choosing this service. These teens do not have experience. If you are in a position to teach them or if you feel you can safely direct them, they are willing to learn. We do ask that you sign below acknowledging these teens and/or agents or affiliates of Hot Homes FLA Realty will not be responsible for any accidents or damage to property. During any work performed the teens must have supervision. Only consider this option with appropriate small jobs like yard clean up or painting.
